1. [REDACTED] requested the meeting. He brought a copy of [REDACTED], dated 8 January 1960, for my perusal and comment on an article on foreign Antarctic activities. The only item of interest to me was a paragraph on a Soviet request to the Japanese for permission to deposit Soviet fuel at the Japanese base for possible emergency refueling during Soviet air operations in eastern Antarctica.

[REDACTED] stated that he had mislaid his notes of that meeting and was concerned lest this information not be transmitted [REDACTED]
